SOLON CORPORATION'S
APPLICATION FOR LEAVE TO
INTERVENE

Pursuant to A.A.C. R14-3-105, SOLON Corporation ("SOLON") hereby makes its
Application for Leave to Intervene (the "Application") in the above captioned proceedings (the
"Proceeding").

1 SOLON is a turnkey commercial solar developer and contractor headquartered in Tucson,
2 Arizona since 2007. SOLON develops, designs, constructs, finances, and services solar arrays
3 throughout Arizona and specifically within Tucson Electric Power's ("TEP") service territory.
4

5 SOLON is entitled to intervene because it and its employees are substantially and directly
6 affected by the proceeding and SOLON's intervention will not unduly broaden the issues
7 presented. In Support of this Application, SOLON submits the following information:
8

9 I. SOLON is Substantially and Directly Affected
10

11 SOLON not only has its headquarters in Tucson but continues to develop commercial and
12 utility projects in TEP's service territory. SOLON employs dozens of Tucsonans including
13 electricians, engineers, construction management, accountants, and sales and administrative staff.
14

15 II. SOLON's Intervention Can Assist the Commission
16

17 SOLON can provide a unique perspective on the proceedings because of its unique role as
18 a comprehensive developer of commercial scale solar systems.
19

20 III. SOLON's Intervention Will Not Expand The Proceedings
21

22 By granting intervening status to SOLON, the proceedings and issues to be discussed will
23 not be unduly burdened.
